WHY MBBS FROM ABROAD?

Every year, thousands of deserving students miss MBBS seats in India not due to lack of ability, but because of limited seats and high Competition. Studying MBBS abroad has become a practical, affordable, and globally recognised pathway to becoming a doctor.

MBBS IN INDIA GROUND REALITY

- ✓ Limited Govt. MBBS seats
- ✓ High NEET cut-offs
- ✓ Private fees approx ₹1 Cr.
- ✓ Additional charges in some colleges
- ✓ NEET rank matters a lot

MBBS ABROAD – FACTS

- ✓ International curriculum
- ✓ WDOMS listed universities
- ✓ As per NMC guidelines
- ✓ Eligible for FMGE/NEXT
- ✓ Indian student support

MYTHS vs REALITY

Myth: MBBS abroad is not recognised in India.
Reality: Degree is valid as per NMC guidelines.

Myth: Education quality is low
Reality: Many universities follow international standards

Myth: Language is a problem
Reality: Course is taught in English

ELIGIBILITY

- 10+2 with PCB
- NEET Qualified
- Age: 17+ Years

ADMISSION PROCESS

- Eligibility check: (10+2 + NEET)
- Document Submission
- University Offer letter
- Seat confirmation
- Fee payment & Visa process
- Departure and University joining

EDU-HAWK Worldwide
CONNECTING DREAMS GLOBALLY

ABOUT US – EDU HAWK WORLDWIDE

Edu-Hawk Worldwide is a trusted MBBS Abroad Counselling and Consultancy Services provider, dedicated to guiding Indian students towards safe, affordable, and NMC approved medical universities abroad.
We don't just help with admissions, we help students choose the right country, the right university, and the right career path.

Who We Are

We are a team of experienced education advisors committed to helping students achieve their dream of wearing the white coat through the right guidance, university selection, and end-to-end admission assistance.

Why Choose Edu Hawk Worldwide

- 100% Transparent Counselling No hidden costs, No false promises
- Only NMC approved Medical Universities
- Affordable MBBS options in Russia, Uzbekistan, Georgia, Nepal, Kazakhstan, Kyrgyzstan & many more
- End-to-end support from admission to FMGS clearance.
- Visa, documentation & pre departure & post arrival assistance
- Student & parent focused guidance
- Experience based university selection Not commission driven.

OUR MISSION

To provide every dreaming & deserving Indian student access to quality global medical education
without donation, confusion, or misinformation.
Our mission is to:
Empower students to make informed career decisions
Make MBBS abroad safe, legal, and reliable
Earn parents' trust through results, not just promises

OUR VISION

To become India's most trusted MBBS Abroad guidance brand,
where students see us not just as counsellors, but as long-term career partners.
We envision shaping doctors who are:
Globally trained
Eligible to practice in India
Committed to serving society

OUR VALUES

- Integrity & Ethics – Honest guidance, always
- Student-First Approach – Career over commission
- Transparency – Clear process, clear communication
- Responsibility – Support beyond admission
- Commitment to Quality – In counselling and university selection

MBBS Abroad is a Dream,
Not an Experiment.
